## Introduction to Storypark

Dear Families

Gowrie Preschool is excited to announce that we will be implementing **Storypark** – a secure, private online space to ensure your child receives the best support possible and that you are involved and up-to-date with your child's learning. Storypark provides each child with an online community which you (their parent/guardian) own and control who has access to, at no cost, for as long as you wish. Content we add will only be shared with our teachers and the family members you choose to invite. No personal information is shared with any third party.

Storypark at Gowrie Preschool will help teachers, children and families:

- improve communication between teachers, educators and families
- interact quickly and effectively through iPhone, Android and tablets
- capture family culture and heritage
- deepen relationships and strengthen communication

At this stage Gowrie Preschool will only share notices and information through our community posts.

Please see the attached flyer for more information.

### What do you need to do now?

With your permission, we will create and invite you to your child's Storypark community through an email invitation coming soon. **All you need to do is accept the invite and participate.**

We welcome your feedback and look forward to providing an even more responsive, innovative and valuable experience for you and your child. If you have any further questions, please contact your child's teacher.

Kind regards

Angela Georgopoulos Rene Garland Pip Douglas Leanne Brown Amanda Walmsley
