Lanyon Unit Essential Energy @ Mungga-Iri Jingee / Centre for Innovation and Learning (CIL)

Dear Parents/Carers

During this term, as part of our Essential Energy Science unit, we will be utilising the Centre for Innovation and Learning (at Caroline Chisholm High School). The teachers have been planning this unit of work with Caroline Schultz (Science Teacher) and have designed experiences for students to gain a deeper understanding of electrical circuits. Students will have access to appropriate resources and materials to increase their understandings in this area. In addition to this excursion, Caroline will be visiting us at Gowrie Primary School throughout the term. As Mungga-Iri Jingee is an Education Directorate facility, we will continue to adhere to COVID-19 protocols and procedures for student and staff health and safety.

Date: Wednesday 5 August 2020

Time: 9:00am – 12:00 pm

Venue: Mungga-Iri Jingee @ Caroline Chisholm High School

Transport: Walking – Departing GPS at 9:00am and Leaving CCHS at 11:00am

Cost: Free

Dress: School Uniform, SunSmart Hat

Food: Usual health break (snack), drink bottle – Students will eat lunch upon return to GPS.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff members are not responsible for injuries or damage to property, which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour. I authorise the teachers to obtain medical assistance which they deem necessary should an accident occur, and agree to pay all medical expenses incurred on behalf of the above student.

Please fill in the permission form below and return to the front office by **Tuesday 4 August 2020**
