Years 3-6 Stationery and Book Packs 2020

Ledger Number: 1520-BPK-00

Dear Parent/Carer,

The purchasing and distribution of book packs and stationery has been changed significantly for the 2020 school year. This year parents will be required to pay the book fee directly to the school.

- Students in year 3-6 are required to pay a book fee only, stationery is not supplied by the school.
- A list of recommended stationery items has been supplied in a separate note.
- It is the responsibility of parents and students to ensure that they have adequate and suitable stationery supplies for their learning.

This method for ordering and distribution has reduced cost significantly and ensured that all items were ready for use at the start of the school year. Books are stored at the school and distributed as required.
