**Principal:** Simon Smith

Dear Parents and Carers,

As mentioned in previous communications, the Gowrie Primary School carpark is having significant upgrades. As a result, there is very limited car parking at the main entrance of the school. We are encouraging parents who need to park to use the North East corner, the car park located off Finlay Place.

At the front of the school, a **Pickup and Set down only** area has been established/ rejuvenated. You will note the following sign.

This area will operate for all families who are able to drop their child/ children at school from 8:45am and pick up from 3:00pm without leaving their car. This area will be supervised by Gowrie Primary staff in the morning and afternoons. Please note this is not for parking as we are trying to keep the flow of traffic moving. Safely removing students to and from their cars is our priority.

The below photos demonstrate the entrance points. Please note that it is a **Bus lane only** to the left. The **Pickup and Set down only** entrance is to the right hand side.

Bus Lane Only

Pick Up and set down only

Students can be dropped in any of these bays and then proceed to the newly established pedestrian crossing. A Gowrie Staff member will assist them in crossing the Bus Bay safely.

**Everyone COUNTS**

Please note **Preschool families** and their siblings will have alternate Drop off and Pick up arrangements communicated to them, which will utilise the Preschool car park.

We thank you for your patience and understanding while we implement these new arrangements.

Regards

The Gowrie Team
