Dear Parents and Carers,

We are gathering data as to who has digital access in preparation **IF** school closures were to occur due to the COVID-19 virus. Gowrie Primary School will loan devices to students who do not have access the digital learning platform for the duration of any closure. The school does not have enough devices for everyone to take one home, so only those that require a device will be loaned one.

As the devices are enrolled with the Education Directorate, a school email address is required to sign in and use them. It will be expected that students will use these devices for school related tasks as outlined by the classroom teachers.

If you would like to take up this offer of a school owned device loan, please fill out the slip below and return it to the front office ASAP. Please note that devices will not be loaned out until confirmation of school closure and that the loan will be for the duration of a closure **IF** it were to occur.

Thanks,
Andrew Heffernan
Executive Teacher
