Canteen Policy: What we do and why we do it.

The canteen is provided as a non-profit service for the well-being of the school by the P & C Association. The P & C employs a manager who is responsible for the day-to-day operation of the canteen, guided and assisted by the P & C.

The canteen provides nutritious and appealing food at an affordable price. We aim to keep our menu as Green as possible to provide a healthy school recess and lunch service for the enjoyment of children and to assist busy families.

Special Requests

We are unable to assist with special food requests such as variation of ingredients in standard items.

Food Allergies

The only exception to the special request policy is in the case of genuine food allergies and intolerances. Parents need to inform me in writing of any such condition, a form will be distributed at the beginning of each year for this purpose. The canteen is NUT free due to severe allergies of some students.

If your child has an allergy and is ordering from the canteen, **please ensure you note on the outside of the bag** if they need GLUTEN FREE, DAIRY FREE or HALAL option.

Volunteering

Volunteers are very welcome to come and help in the canteen with preparing sandwiches, preparing lunches or baking. Any time you can spare, whether 1 ½ hours or 1 hour is much appreciated. The canteen is a friendly environment and a great way to meet other parents. Please come and see the Canteen Manager if you're interested in helping.
