Yr 5/6 MATHS EXTENSION PROGRAM

Dear Parents/Carers

This term we are offering a group of Yr 5/6 students the opportunity to attend a Maths Extension Program to enhance the student's numeracy development.

The program aims to:

- Extend maths skills with a focus on using a range of numeracy concepts including problem-solving, reasoning and number fluency.
- Extend and increase independence in numeracy skills.
- Work in conjunction with the mainstream maths classes by covering similar content with more complex mathematical processes.

Your child has been nominated to participate in this program.

Sessions: 2 x 45 minutes per week

Facilitator/s: Andrew Heffernan – Executive Teacher – Yr 5/6

Please fill in the permission form below and return to your child's class teacher or email the Front Office by **Friday 14 August 2020**.

If you have any questions about the program, please discuss with your child's teacher or contact Andrew Heffernan at andrew.heffernan@ed.act.edu.au

Yours sincerely

Angela Georgopoulos
Deputy Principal

.....
Yr 5/6 MATHS EXTENSION PROGRAM

I give permission for my child _____ of class _____
to attend the Yr 5/6 Maths Extension Program.

I have read the above information regarding this activity and understand what it contains.
