Unacceptable behaviour will be treated as it is normally treated at school, (time out in a designated spot, exclusion from an activity) but with the additional factor that the student may be returned to school should the behaviour be extreme or overly persistent. In such a case they would be taken to school in a private car driven by a staff member. Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should also warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour. Parents should also be aware that no automatic insurance is provided by the ACT Government in respect of injuries to students, non-enrolled children or yourselves should an injury occur on an excursion.
