## Year 1 Stationery and Book Packs for 2020

Ledger Number: 1520-BPK-00

Dear Parent/Carer,

The purchasing and distribution of book packs and stationery has been changed significantly for the 2020 school year. This year parents will be required to pay the book fee directly to the school.

- Students in years P-2 are required to pay a book and a stationery fee.
- These are shared resources which are developmentally appropriate for your child.
- To reduce costs for parents, books and stationery have been purchased in a bulk order rather than within individual book packs.

This method for ordering and distribution has reduced cost significantly and ensured that all items were ready for use at the start of the school year. Items are stored at the school and distributed as required.
